Languages: Vietnamese (Native), English (TOEIC 570).

PROFESSIONAL EXPERIENCE

AIRBNB

July 2022 - November 2023

Front-End Developer - [Demo](#) | [Github](#) | [Video](#)

- In the role of a Front-End Developer, I created an visually appealing website for users that was focused on travel and hotel bookings in popular tourist destinations in Vietnam. Additionally, I handled APIs using self-generated data to effectively visualize the data for users.
- Full function for e-Commerce Site including product review, rating, authentication, login, admin management, booking.
- ·Complex states management with Redux toolkit.
- ·HTML, CSS, TypeScript, React, Redux Toolkit, Styled Components.

API-AIRBNB

September 2022 - November 2023

Back-End Developer - [Demo](#) | [Github](#) | [Video](#)

- As a Back-End Developer, I had a significant a key role in the development of a RESTful API using ASP.NET and Azure for API-AIRBNB. This project aimed to provide scalable and secure APIs to facilitate data exchange and integration between different components of the system.
 - Participated in code reviews and resolved issues, contributing to the overall quality of the project
 - ASP.NET, AZURE
-
