

NGUYỄN TRẦN THÁI DUY

FRONT-END DEVELOPER

ABOUT ME

I was born on April 17, 2000. I am 22 years old. I'm studying IT at university with a background in computer science. But I have over one year of experience working on responsive, modern design and utilizing excellent logic in web development. Ready to apply my passion for coding to a talented engineering team to develop quality solutions.
